TO WHOM IT MAY CONCERN

RE: HELLEN NJERU

This is to confirm that Hellen is a continuing student of Amani Counselling Centre and Training Institute. She is in her second year of study pursuing a Diploma Course in Psychological Counselling. Part of the course requirement is that all students conduct a research project in an area of their interest.

Hellen is interested in collecting data from your institution and she would need support to make this a reality.

Any assistance accorded to her will be highly appreciated. In case of further clarification or information, kindly contact the undersigned.

Thank you very much.

Yours faithfully,

Edith Wasike Sakwa,
